FIG. 3C is a schematic diagram of a curved path 300 with four triangular stations 313. Each station contains a circle 314 and a point 320. Dashed lines with arrows show a sequence of paths: 308 (starting from the bottom left), 310 (along the curve), 322 (between stations), 324 (between stations), 326 (between stations), and 328 (between stations). Labels 304, 306, 312, 330, 332, 334, and 336 point to various geometric features and points within the stations and along the paths.
